

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

I know that Mom cares, though, so that helps take away the sting!

for all those Ive been ignoring....

My computer was down the past 5 days and I was gyeless (no, not *clueless!*)

Hashem knows me so well...He knew that by killing my computer I would have to clean instead!
Probabl saved shalom bayis too - a wife 'working' on the computer while hubby cleans is just not cool!

Hope to start catching up with emails, PMs soon...

Thought we could all relate to this Pesach poem:

THE TIME HAS COME

We clean the cobwebs	Clean the cobwebs of our minds
Organize cluttered closets	Organize cluttered thoughts
Dust off rarely touched shelves.	Dust off long-shelved aspirations.
With toothpicks we remove	With toothpick-like scrutiny, remove
The microscopic specks & stains	The not-so-microscopic specks & stains
From between cracks & crevices.	From the cracks & crevices of our souls.

The time has come

Let's Pesach clean all leaven Let's Pesach clean inflated egos
Spring clean winter's stagnant muskiness Spring clean winter's stagnant lethargy

Let's make ourselves worthy of the next geula – not just our homes.

The time has come.

We make it sound like this far-off "pipe-dream" that can't happen.....

We should all take the practical approach, and realize what ind of behala it will be to pack the whole family, and fly to EY.... and we should all pack a little emergency bag.

These dargos aren't just for the gedolim, we are also supposed to be nigal, no? So if we honestly beleived that 2 hours before hadlakas neiros....mashiyach could come.....wouldn't we at least pack one days clothing, tfilling, and a sefer for the way?

Did Letakain just hit 90?!

Please send my best wishes!

Great news!!

How's the rest of the pack?

Trying and Habib?

Who's waiting on pesach sheini?

"If I expected mashiach tonight, wouldn't I at least pack a carry-on? wouldn't I at least buy one NEW set of clothing lekavod the simcha? Wouldn't I at least pack some nash? I mean who goes all the way to EY without any nosh!? Seriously.....when I realized this, I packed a bag (minus the new clothing)

back to the thread.....

Klal Yisrael owes it's existance to our nashim tzidkanios. bechok dor vador omdim aleinu lachaloteinu.... and somehow the women save our skin! whether it be their emunah peshuta, obstinance, or their 'womanly ways' (Yael)....lemaisa we owe them And the sefarim hakedoshom say that the last geulah will also be attributed to the women....so KOT ad bias goal tzeddek bemhaira veyameinu

Try floating a bottle to the other side of the mechitza

or maybe a carrier pidgin, but then again, I don't know exactly how high they built that wall of theirs.
