

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

This was previously posted on my thread in the womens section. To see responses,

Waddya do in the busineess office??? I cant lounge aroun anymore?? Can reely use ice cream, sushi and a mom..

My reg thread always has an open door.

Always sushi in the fridge for you

Ice cream in the freezer for theOne

Hot tea for Habib

Chumas and cholent for Uri....

and a comfy couch with lotsa cushions and blankets for everyone.

This office is meant for those who are wondering why I havent been to visit them recently, (although I think the line is supposed to go the other way with Jewish mothers, no?!) or who feel they want a mom to come over and yell at them to sweep the floor occasionally.

Of course, kids are known to stop by a moms office sometimes, just to be spoilt by the secretary...
