

7Up, ice cream and sushi

---

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

I like this one:

AN ADDICT IS SOMEONE WHOSE FEET ARE PLANTED FIRMLY IN THIN AIR

Totally how I feel. Now that I think about it, wouldn't it be nice to have a gye one liner collection of the best brightest, funniest and most helpful.

Great idea Backontrack. How about starting one?

Hi Mom!

Now here's a nice surprise!

Are you back to stay or just popping in for a tease visit?

Either way, hope all is well.

Life in sodaville is CRAZY hectic.

This lemon needs a vacation...
