

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

I sat next 2 a cute guy waiting 4 the bus. He said, 'I know we don't know each other very well, but would u have dinner w/me Saturday?' I turn 2 him and exclaimed 'I'D LOVE TO!' He gave me a weird look, and pointed 2 his Bluetooth...

I hope this wasn't you for real, was it?

when you read all the girls comments, in one shot, see if you don't puke. Unless you crack a smile instead (depending on the person).

Sigh.

Gotta admit, SA has some good points.

Everyone here means good. Trying, Habib, Letakein, are all Tzidkaniyos of the highest order. And the love and empathy that is shared on this site comes from beautiful places in our hearts... but, there can be times when the girls and guys on this site get a little too "kalus rosh" together. This could be a little problematic for a few reasons.

1) People coming to the site can wonder "what's going on?"

2) All this fuzzy wuzzy around Uri and Ano and whoever, you know, the single guys and the single girls naturally seem to gravitate to each other's threads... Maybe at some point it could lead to the girls wanting to meet Uri or Ano, or whatever... or start calling or texting each other off line... I dunno. I don't believe it would happen with Trying and Habib, they are seriously trustworthy people and have such beautiful souls, but maybe other girls will join and get the wrong message,...

Bottom line: We really should try and cut down a bit on the "kalus rosh" between the genders - especially the unmarried young'uns...

i can be openly blunt, rude, and insulting about this issue, or I can word it in a non-threatening, and palatable manner that is globally mekubal by all (as I have tried in the above paragraph. don't make me be blunt about it.

Sorry. You are actually too late. You have already been *openly blunt, rude and insulting* about this issue. You're first post was fair enough and I responded . The next few comments were completely unnecessary and downright degrading. I will still keep to a normal conversation, cuz I'm not such a type of person.

Caring about someone who's landing/arriving in a different country by himself is not considered flirting in my language. You might be right that maybe showing such caring can be triggering or dono what...I maybe could've thought about it with a clear head if I wouldn't have been so hurt..

Sorry . Loss is all yours. Think before you speak next time.
