

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

This was previously posted on my thread in the womens section. To see responses,

Any thread which I post on is automatically "important".

Anything else I can help you with Me3?

If you guys think I'm going to start tracking down chinese translations you overestimate my
(and even if I did I wouldn't admit it!)

I am simply assuming that they all mean

"7UP IS THE BEST".

Right?

Close enough - Actually, that one was "touche!" :D

You know I wasn't such a fan of the separation before..... And just be happy you don't speak chinese.

So this is what the translator came up with:

You are best! We thought of your Jar Si are such many! Hoped you all did too good!! Some super sabbath! Continues to read my nut's position?!? It gives me the wonderful ancestor to know you have!

REMINDER:

I barely ever read the posts on the mens side any more (too much of a yh to hold myself back from responding :-\) Occasionally I randomly chose one or two, but without any rhyme or reason.

If you want me to read something, or to comment on a specific post, this is where to tell me.

And for the record, still cheering everyone on as much as ever, if not more so. :D

Wishes for a relaxing, rejuvenating and ruchnius shabbos

7up
