

7Up, ice cream and sushi

Posted by 7yipol - 31 Dec 2009 19:28

I have a problem, and am hoping for suggestions on how to deal with it.

BH the forum has grown tremendously recently. Not only are there so many new members, but also a lot of posting activity.

Heres my problemo: In general, I try respond to most threads. But this is becoming harder and harder to do, and I just dont seem able to 'get there'.

Dont get me wrong; its not that I think anyone will pine away due to lack of 7up attention ch'v - my ego isnt that large yet!

But I do occasionally get emails or PMs asking me if Im ignoring them for a reason, or hinting broadly that they would appreciate a 'visit'.

Suggestions anyone?

The only thing I could come up with is starting a thread (where?) and whomever feels they 'need' a mom, or someone (me) to just write something totally useless and irrelavent on their thread can post a "heads up" and I'll stop by for coffee!

The same goes the other way; anyone not interested in my puny opinion or smily icon can tell me there too!

Thanks

7up

This is special to my favorite mom and sisters on the "other forum"!

imtrying: I am not so sure that 7UP will appreciate you calling her "mom" with that new profile pic. I mean you look around 80+, so this would mean that "mom" would already have hit 120!

Ad mayeh v'esrim shanah.....oon vayter!! Its like the 90 days. we dont stop when we reach the number. WE just walk on by wave and cont inue on. So happy 121'st b-day mom.

Ok i gotta go. im losing it.

MAZAL TOV!

You must mean "7Up is now a **GREAT** grandmother", right? (Cuz 7up has been a grandmother already FOREVER!)

May your grand-daughter (or great grand-daughter) grow up to be just like YOU! As we bless the trees on Tu Bishvat - "**Shetehei Kol Netiyosecha Kamoscha!!**"

Mazal Tov! Who knew that you weren't already a bubby?

Since I don't know enough about big colorful fonts, I'll just say "***MAZAL TOV!!***"
