

Davenport for me and I will daven for you!

Posted by FireforHaShem - 19 Dec 2024 03:11

Hi guys! I think it would be really cool to start saying Tehilim for each other's growth recovery and strength in fighting this battle. If you think this is a good idea I would love to hear what you think about it. Post your hebrew name down below (one of the moderators said that it should be fine as long as it is not a uncommon name).here's mine; Asher Ben Yosef Yisrael.
