I would think that the GYE coffee room would be fully stocked with bookshelf upon book shelf of kosher reading material.

But how many shelves can Sherlock Holmes take up?

Maybe we should add Dr. Seuss to the kosher list.....

Are you guys actually SURFING the net, looking for pics???

Aren't you afraid of seeing what you should not be seeing???

Am I a hypocrite? :-[

The coffee room's a real good place,
To stop the chase, and slow your pace,
So show your face, and make a case,
just find solace, in this great place.

When things get rough

GYE - Guard Your Eyes

Generated: 9 April, 2025, 06:33

And they seem tough

Come chill with us

Don't make a fuss

Or scream or cuss

Come truck, don't bus.

And you may trip or clip or snip,

Or take a sip, but please don't slip,

Cause GYE's for you and me,

And for your friend or 2 or 3,

If your mind be,

In fantasy,

Go scratch your knee,

Or plant a tree,

Or sting a bee,

Or scratch a flea

But fall? Who me?

No!! No Siree!!

Just smile with glee

and say with me:

There'll be no lusting in my house,

There'll be no lusting with a mouse, (ugh!!)

Not on a box,

GYE - Guard Your Eyes

Generated: 9 April, 2025, 06:33

Or with a fox,

or in your sox,

Or on your rocks (for Dov ii)

I will not do it in my car

Or on my bike,

Or at the bar,

Or flying on a shooting star

Or near or far,

Or where you are!!!"

Lusting is TREIF

Like eggs and ham,

I just won't do it

YID I AM!!!!

Hatzlocha!!!

Rebbe Dr. Yid Seuss

But I am pretty good at rhyming!

Now here's the question....

Can you balance a large hot water urn on top of an umbrella ontop of your nose?

Why - are there any people who can't do that? ;D
