A Novel by GYE Chevra

Posted by Shteeble - 18 May 2011 13:59

This thread is for writing a new novel. All GYE Chevra are welcome to participate.

You can participate by writing a paragraph (or two or ten) to add to the story.

Please send your additions to me via PM.

I will bl'n add it so long as it adds to the geshmakness of the story.

Additions will contain the member's username unless otherwise instructed.

I hope for this novel to be very very long, like the ones you would expect to see in your Judaica store.

Enjoy!

Please keep the story line fit for the judaica stores; PLEASE NOTHING ABOUT A GUY ADDICTED TO LUST. AIM FOR THINGS LIKE HUMOR, D'VEYKUS, JOY, MYSTERY, ETC.

THANKS!!

As he sorted through the various papers, empty coffee cups, and condiment and flatware sets that had arrived with the steady flow of delivery-men from the nearby kosher establishments, he mused that it was quite ironic how well his desk reflected his own inner world. ben durdayah

He looked at the half melted ice cream cone, the bottle of Woodford, and the miniature tricycle, lost in thought.
