We don't need to know everything. This forums is made for us to be able to keep out confidentiality.

Who *is* this guy?

Even the real bard's spells better than this...

Ever heard the rhyme that some schoolboys use:

Who accused it - defused it,

Who denied it - supplied it,

Who smelt it - dealt it!

When are we getting:

In the Footsteps of the Rebbe

Around the Rebbe's Table

Along the Rebbe's Journey

No time soon...

He's going to want royalties -unlike R' Shalom Schwadron who most likely didn't ask for anything from R' Pesach Krohn...

All I know is that at 3:45 am last night I got a text from a GYE member (who shall remain nameless) saying he was still up.

URAJ -I think that 3:45 AM is davka in my time zone (JLM). Check out the impersonator's profile on your computer and you'll probably come up with 8:45 PM.

Not as if that will uncover which one of us is doing this to ourselves.

BARD'S -OFTEN IMITATED, NEVER DUPLICATED!

i have a hunch as to the id of the bardician (no, it's not me)

seems to me that the modus operandi is not malicious
