can you fix your pic so that it doesn't look so squished?

but otherwise, it's ok.

and fine, drink the alcohol if you want. but if you end up drinking the whole bottle, i refuse to clean up the vomit.

wouldn't let me take a doctored up print shop document, chaval.
It's really hard to find pics. and I decided that the tigers kinda suit you. but if you wanna change-
i like the last one best.

and on the road doesn't seem to have a pic. maybe my filter just blocks it?
