I see I started a trend everyone is identifying themselves with a cute logo

It is amazing how the koach of simcha and achdus

and the open lines of communication

Will send the YH to never-nevr land

adois dude

your days are numbered!!!

SHMILU

<http://www.jewlicious.com/wp-content/uploads/TM/satmar.jpg>

Okay. Ich hehr vus die zugst...

Still trying to figure out, though, how this reflects me.

Simply because Shmilu sounds Satmerish? Or is it the innocence this yingele radiates?

Shmilu - you could use the old berdichever photo of the proud, sweet chassidishe kid looking the fellow yid in the eye. Shirayim from this rebbe, i'd take!!

Hey guys.

I guess I get a little shy when such a commotion is made on my behalf... And to think I'm always looking for attention... Some insight to my warped mind, but that's how it is...

I was also at my parents for the last day or so and haven't had much time to be here plus I got some more exams on Sunday. To think..., the morning after selichos starts!! Well, gotta count my blessings, I know people who are starting classes on Yom Kippur...

Habib,

Thanks for all those options. I like the volcano. I think the F-16 it is, though...

Da'as Torah...

Sorry, not changing.

To me, it's deep focus (I think a lot). Dejection would look a bit different, I think. It's also how I walk in the streets of Manhattan (can I LEAVE yet? PLEASE?).

So, pic stays cause I really like it. It's very "me", but you wouldn't know that cause you don't know me....
