and Reb B,

what's the deal with your changing pics so often?

trying to stay anonymous?

don't think we'll figure out who you really are?

identity crises?

Maybe we need to get a cool graffitti thing going starting on yeshiva walls and bathroom stalls. Like "g, gu, gua, guar, guard my eyes from garbage!" Sorry, just having some fun and laughing a lot, actually.

But graffitti does get that counterculture feel that would attract lots of the rebellious types who

think it's nerdy to avoid schmutz, you know.

I'll leave this to greater minds.

What do you say (besides egging me real good)?

Wrong thread?
