It's actually a lot of fun if you actually try to **say** it. Especially the "G"!! Go on, don't be ashamed, no one is listening...hopefully! (maybe a hop or two, added in for good measure?)

It certainly beats acting out!!

:D

Yes, Kahana was right and lots of Jews have been harmed by Arabs in spite of all the attempts at peace... And one day they'll say that GYE was right - many many **more** Jews have been harmed by lust, in spite of our attempts at making peace with it and sweeping it under the rug...

Will there be a PTSD expert at the next agudah convention?

We're gonna need a special GYE dictionary soon for all these acronyms...

Hey Dov, speaking of the next Agudah convention, Dr.Phillip Rosenthal wrote me:

I will be speaking December 25th, 2009, at the Agudas Yisroel Midwest Convention in Chicago.
I will try to integrate something about GYE into my presentation too.

All the best,

Phillip

That's THIS FRIDAY!!

Anyone will be there? Maybe someone can do a recording?

Thanks!
