I see I started a trend everyone is identifying themselves with a cute logo

It is amazing how the koach of simcha and achdus

and the open lines of communication

Will send the YH to never-nevr land

adois dude

your days are numbered!!!

you think?

are you trying to hide your Hungarian background?

7up Nainy, no Hungarian blood?

mom,

mitzad the fact that im trusting

clearly proves that it's not obvious,

otherwise, what would i need to trust?

trust is built on the not obvious...

and hence it is trust...

like faith, belief and all that jazz...
