I see I started a trend everyone is identifying themselves with a cute logo

It is amazing how the koach of simcha and achdus

and the open lines of communication

Will send the YH to never-nevr land

adois dude

your days are numbered!!!

Not necessarily funny-looking, though.....just "funny".

...and what if he is ALSO funny looking as well, then what do we call him?

The greatest secret in our avodas hashem, is our GYE username. And where-as we might consider writing it on our matzeiva...this guy didn't have anything so worthy.

It's funny how even his 'olam hazeh' he couldn't take with him "to the grave".....

BTW...can anyone tell me how it tastes?
