I see I started a trend everyone is identifying themselves with a cute logo

It is amazing how the koach of simcha and achdus

and the open lines of communication

Will send the YH to never-nevr land

adois dude

your days are numbered!!!

Uri, wow, youve got some time on your hands. Thanks for sharing those photos. Do you think St. George is really appropriate for this site?

yes.

Uri, thanks again for all those options. Bardichev, thanks for the pic. It resembles what I would like to reach. I see him as expressing a lot of strength in his Avodas HaShem. Being really in the mitzvos with all his power... I don't feel like I'm there now, but maybe it is somewhere I can get to...

MR. B

She listens to an older marbitz torah.

(and.... I didn't find a better one anyway...)

I don't know what everyone is complaining about. The only pic I can't figure out is my own ???.
Anyone have an idea?

Shomaim News - Centerfold

Reb B's "who is leading who pic. Wins the center fold of the Day.

Chabad can mean Chochmo, Bina & Daas or can be Chamor Bli Daas it all depends who is leading who.
