Kutan - Nice to see you get that shepseleh back! Frankly, I have no idea how I got it, "lost" it, got the kielbasah attacker thingie, and then got the cute walking baby guy - but seeing that you have your jumping kung-fu shepseleh back makes me very happy!! It seems that this "Guard" fellow has something to do with it...:D :D :D

Dov

Seems that G-d is really running the show behind the scenes.

I meant to use it only after the 2-3 coffees, and when their effect wears off to put back the old avatar.

Surprise... since its been there, only need 1 coffee, and I'm good to go,

so I'm leaving it (for now).

Amazing example of chitzonios m'oreres es hapnimius.

21 century style.

Best shabbos wishes,

kutan
