Read tomorrows/todays email, and you will see that you now have that oppertunity for a limmited time.

Just comb the new posts for 'a daily dose of DOV'

Add any inpiring insights from the last few days.

and look in sefarim for something interesting (the beis medrash has plenty of it already, just cut-paste.

And last of all, email it to GUARD b-e-f-o-r-e he 'goes to print'
