:o

Um, Zemmy...

Has little 9 day old soprano been depriving you of sleep lately?

Or do you have some sort of paternity leave that gives you too much spare time for creative writing!

Seriously chaver, that was HILARIOUS! I laughed so hard, that my geshtaltzumpflegen is on it's way over to participate in the shlishi lemillah!

Actually, I've seen some of those critters on the subway tracks in NYC and around the dumpsters of Yerushalayim Ir Hakodesh TVBB"A...

In some places they test for toxic yold and if you have it they need to evacuate you from your house and spray it down with yak milk. Then it all turns to green geshtalfleegen and kind of oozes to the ground before disintegrating.
