

Virtual party for Gilad Shalit

Posted by kidushashem - 18 Oct 2011 09:56

Hey, In the spirit of "just having fun", come and say a L'chaim and share in the party in honor of Gilad Shalit's release!

Also, releasing all these terrorists is a huge threat to Am Yisrael. I am accepting upon myself to try to be clean for the next 30 days as a zechus for us not to be hurt by the release. Anyone else who would like to, please do so!
