

O'Mottel's Kitchen

Posted by obormottel - 02 Nov 2011 23:29

It seems that a lot of us here suffer from malnutrition, which tends to bring about depression and other *machlas* of the mind. I mean, how are you gonna feel good about yourself, when you're 30 pounds overweight, and you don't even have an excuse of a recent pregnancy?

So pile in, and if you're sick of cholint and kishke, I'll set you up with a nutritious meal that is inexpensive and good for you at the same.

Oh, and we do give out complimentary drink tickets to Bardy's Pub with each meal. You may have to check with Bards, though, if he'll honor them for anything other than a shot of Crapowitz.

Happy New Year everybody!

Buckwheat blinis with salmon caviar and creme fraich for everyone, on the house!

Sliced watermelons and oranges, as well as grapes are for dessert.

After the cocktail hour I'm going to sleep, so help yourself to the cholent (if you didn't sleep all night than the cholent is still considered "today's").

As for cocktail, I hear Cosmopolitan (Vodka, Cranberry Juice and something citrusy) is very good. Would the self-appointed mashgiach make sure the hechsher on the juice is NOT triangleK?

By the way, TZ, at first we'll pay you nothing, since you are just training, but then if we like you, we'll double it.

Rabboisai! The creme fraich is milchig so please make sure the cocktail hour is at least a half hour before eating the cholent

also! there's a kichsatah [s h i t t a h] that if u eat yoshon cholent you don't become milchig until like 13 hours later (or as soon as you're SURE it left your system)
