

Avatars

Posted by tehillimzugger - 24 Jan 2012 13:29

I've been trying to put up an avatar since I came, with no success, so I'm thinking that when the time finally does come and I'm zoche I should be adequately prepared, I want the Oilam to suggest Avatars for me here

okay I go first

BTW I had trouble getting my avatar up too. The browse control to select the file would not show up on my computer. I was finally able to do it by accessing the forum from my smartphone.
