Yes mom thats it.

There simply has not been enough talk about sushi,so the oylam has decided to leave the forum.

Its true that they need to heal this addiction.

But it's just not gonna work unless there are more frequent posts of people eating sushi.

Your loving (and smart alleck) son

to all those who feel that the forum is empty and dead

you need to be proactive!!

write stimulating and deep posts!!

dont write these 2 liners then expect pple to comment on that

nothing much will be said(yes im talking to you girls)

and start new threads and stuff.
