Bardy,

I love that pick!

and no one said gnite  
Struggle,

Can you just pick me up with your F-16?

Yes! we all belong in Israel!

Seriously, you can ask Reb B. , I asked him a few days back if he would mind making a 3 day weekend Nesiya with me & any other GYE members to the Holy Land to meet the Chevraiya Kadisha & spend some time together.

I was even day dreaming of the details.

The Rebbe & Gabbeh & Chassidim Arive at B.G. Thursday Morning, Head up North Mekomos Hakdoshim, return late at night Leil Shishi, Chulent Avaadeh.

Friday Morning - Veseekin at the Kotel & Head out To Mamme Rochel.

Oy Yoi Yoi Shabbos - Friday night Kotel agian a must. Rebbe makes a Tish.

Shabbos Day - Anything Goes.

Motsei Shabbos - A Kumzitz in the Old City overlooking the Kotel, Uri On Guitar.

Sunday - Just Chillen, Gan Soccer ????????

Sunday Night - If Moshiach Hasn't arrived yet after this Holy get together (I Doubt it) The Rebbe & Chutzniks, Sadly yet uplifted will return Home away from the Real home.

I am very serious about this, No Jokes.

If only I can convince Reb B. its a Go.

The prob. with Reb B. is that he didn't Learn in Israel so he never got a real taste of the Holy Land.

, but lets never forget which direction we face on the "Taking attendance" thread each mincha!

I know I am not in the spirit of this thread, but I'd like to share something very interested I learned yesterday. There are two opinions on which direction to face when davening. (of course... what did you expect, ONE opinion? we're Jews! :D).

It seems that due to the fact that the Earth is a ball and not flat, there are two ways of facing Yerushalyim.

See:

[www.myzmanim.com/messagebox.aspx?messageid=direction](http://www.myzmanim.com/messagebox.aspx?messageid=direction)

New Chumrah for Aseres Yimay teshuva.

New yorkers, daven twice... one tefila facing east, and one facing north-east....

R' B., which way does the GYE bm face?

i was thinking that trying and i should do some shtick

but then i raelized that if any of the men had ever come to GUE, and if they happened to be peeking over the mechitza, seeing 2 girls wearing green sweaters and holding bottles of 7up might give us away.

so we'll have to do something a bit more toned down.
