But at midnight the guys are getting together and doing a dance around the bonfire with the totem pole.

Full moon.

Bardichev,

I'm partially here, but for a minyan, you can always drag me in. Especially on Isru Chag----This is kind'a the beginning of the new year, starting the regular schedule.

As was said yesterday in the Haftarah, the Ribono Shel Olam says around 3 times in the first 10 Pesukim to Yehoshua and Klal Yisrael, CHAZAK V'EMATZ!

Nishmas
