Yes Reb B, you are so right. What a gift from Hashem for my 90 days to hit after all of the yom tovim. A few weeks ago when I calculated my 90th, I felt bad it would not be till after al the yomim tovim. It turned out to be another one of the many blessings Hashem has given me.

I would love to lead the davening. I will be serving woodford and sushi after davening.

If you could arrange for 7up and ice cream in the Ezras Nashim I'd be so happy...

(although it would definitely remove the lishma of davening with a minyan!)
