I suggest giving \$65 dollars to Tzedaka, and buy a \$5 bottle of Arak instead. (I'm not hinting anything here :-X)

I see alot of people like Arak. Not to popular in US

We just cant win.

When we're aidel shmaidels and sit quietly in the EN everyone wants to know why no women came to davening.

And when we shmooze and discuss yesterdays kichel and herring, we get shushed.

Sheesh.

Yup; no win.
