I came across this old dilapidated *butkeh*. I was wondering what it can be. I saw truck marks in the dirt that matched the tires of an Ice Cream Truck.

Is this a Clubhouse? A Pit stop transplanted from Route 66? A Pub? A secret meeting place where UFOs refuel?

I gingerly & cautiously step closer...

WAIT! I see something! A weather beaten placard above the door. It reads: **Congregation Chevra Anshei Guard Ur Eyes [size=7pt](.com)[/size]!** Wow! it must be really old!

It is antique!

I tried opening the door.

The big padlock on the door is VERY **rusty!**

Nobody has been in this place since Jan. 3, 2010 5:44 pm. The cobwebs are everywhere.

It looks like a shteeble. It smells like a shteeble. (I smell herring.) But it can't be ah shteeble!

How can it be a shteeble without a minyan??

But there are a few empty Woodford Bottles lying around.

It *must* be a shteeble!

Or maybe I chanced upon the site of the former **GUE Anonymous Virtual Meeting Room**.

(Hey, if it is *Virtual*, than what am I doing here?)

Anyone have a clue what this old building used to serve as in the *olden* times?

I think I will have to go ask Great Aunt Serach bas Asher.....

OOOOOPPPSS!!! I can't! She is in the off-limits Women's Section!

I guess the only Zakein around who still has his head screwed on right is the **Heilige Rebbe Reb Bardichev** himself!!!

He knows how to communicate with us Newbies. He is mekaverev the young guys too. He even changed his name to **Bards**. He figured it has a more hip ring to it!

I know I can always go ask Rabeinu Guard Shlita, but who would dare disturb him. He is probably busy writing his Chizuk Emails. He has over a THOUSAND talimidim already!
