Shall we get this old place up & running again in time for the *Heilige Teg*?

We shouldn't have a problem with chazonim![ovadia wrote on 19 Aug 2010 13:59:](#)
Does a bakeout interest anyone?

I just thought that just as we have all realised through GYE that "we are not the only ones" I am now seeing that I am not the only **Chazzan**..... (Actually we have a surprisingly high representation of **Chazonim** at GYE!)

don't tell Bards, but if you pour a little Woodford on the tangy-taffy they come right off

(for Pashkesz Happy Taffy you need to use Old Williamsburg of course)
