I hope I misunderstood your intent. You didn't mean to say that you are makpid not to daven Mincha before sh'kiya, right?

if you meant me then the answer is no, i am makpid (usually) to daven before shkia. when this give-and-take took place i misunderstood the time, i thought it was later than it was.

good to see you in the shteibel again

Then you are not a **real** chosid!

I am happy to be back too!
