If the Chevra won't start coming here more often, this story will repeat itself.... :o

I came across this old dilapidated *butkeh*. I was wondering what it can be. I saw truck marks in the dirt that matched the tires of an Ice Cream Truck.

Is this a Clubhouse? A Pit stop transplanted from Route 66? A Pub? A secret meeting place where UFOs refuel?

I gingerly & cautiously step closer...

WAIT! I see something! A weather beaten placard above the door. It reads: **Congregation Chevra Anshei Guard Ur Eyes (.com)**! Wow! it must be really old!

It is antique!

I tried opening the door.

The big padlock on the door is VERY **rusty**!

Nobody has been in this place since Jan. 3, 2010 5:44 pm. The cobwebs are everywhere.

It looks like a shteeble. It smells like a shteeble. (I smell herring.) But it can't be ah shteeble!

How can it be a shteeble without a minyan??

But there are a few empty Woodford Bottles lying around.

It *must* be a shteeble!

Or maybe I chanced upon the site of the former **GUE Anonymous Virtual Meeting Room**.

(Hey, if it is *Virtual*, than what am I doing here?)

Anyone have a clue what this old building used to serve as in the *olden* times?

I think I will have to go ask Great Aunt Serach bas Asher.....

OOOOOPPPSS!!! I can't! She is in the off-limits Women's Section!

I guess the only Zakein around who still has his head screwed on right is the **Heilige Rebbe Reb Bardichev** himself!!!

He knows how to communicate with us Newbies. He is mekaverev the young guys too. He even changed his name to **Bards**. He figured it has a more hip ring to it!

I know I can always go ask Rabeinu Guard Shlita, but who would dare disturb him. He is probably busy writing his Chizuk Emails. He has over a THOUSAND talimidim already!

Well, I think they call it Geulah be'lashon sagi nahor, or maybe because that was the original name of the street (which it was!)

What? He doesn't have a branch on thirteenth-avenue? Can't be!

PS My father a"h always used to joke that he would have the last laugh and take revenge on all the Israelis who opened up Pizza shops in New York, by moving to Israel and opening up a falafel stand.

Re: TAKING ATTENDANCE!!

i meant that it should be dropped in the bor and left there, to keep the assorted dishes and cutlery that inhabit the bottom of the bor company

and who is it that started this whole possum business anyway?

how about we get a more normal, conventional, mainstream mascot?

like an armadillo, meerkat, octopus or maybe just a sasquatch

You know?

We need one of those old-fashioned Maccabees around here to spruce things up.

Anyone know where we can find one?

I heard a crie de guerre and came running. Latkes are on the house the oil is seeping in through the cracks. Where/What are the elephants?
