L'chaim to all of you! I'm old but I'm new, after dropping out for a year+, I'm back and I'm glad to see that the Bard is still here. When the Geulah comes, there's gonna be a special section for us GYE yidden. It's gonna be filled with colorful characters, it's gonna be led by Yosef Hatzaddik, and we'll tantz together to the tune of "We are the Champions My Friends, and we kept on fighting till the end!"
