

NAMES! NAMES! NAMES!

Posted by tehillimzugger - 29 Oct 2012 18:46

All this talk about names lead me to think about the halachic ramifications of say, Chuna Feitel calling himself TehillimZugger. I'm sincerely hoping this thread will schlep Dov into the Beis Medrash; Zeh hacheili, B'ezer tzuri v'goeili:

A. Say Chuna Feitel is getting divorced [gasp!], would he be required to mention the name TehillimZugger in the Rabbinic Divorce document *commonly known as Get- an acronym popular legend suggests stands for "Gittel Trayna"- a famous dear devoted- klavta, who led many a husband running for said document*, or not?

[i]Please don't comment that this particular Chuna Feitel is not engaged yet, so how can he divorce- this is a sensitive issue, we don't want to hurt Chuna Feitel's sensitive feelings...[/i]

[The Talmudic precedent for this question may be found in Tractate Gittin [Babylonian, Vilna ed.] folio 34b: "A woman named Miriam, some refer to her as Sara".]

B. Independent of above answer, in the event he is required to cite username in document, would he be required to write "T.Z." or "TZuggs" and other nicknames associated with said username, or not?

[A halachic precedent may be found (although arguably, the cases discussed are not completely similar) in Responsums: Mahara"m Schick (E.H. §163), Maharsha"m (Vol. III §187)]

I plan on returning to this thread to discuss these [and other] points, first let's hear what the oilam thinks.

P.S. Hurricane Sandy delayed me considerably in posting this post, and I'm not sure when I'll be able to continue, first, let's get Dov in here... HEH HEH [Khalled! Arois fin biss medrash, goyatz!]

Unkown

He's probably a gilgul of Billy Martin, the famed, arrested, fired, rehired-and-fired-again, hated and loved manager of the NY Yankees in the mid-70's and eighties till he was drunk and killed crashing his truck in his own driveway. Before his death, he beat up a few bouncers and managers and drivers due to his bad temper coupled with his drinking and general jerkiness. He was married 4 times cuz he couldn't (or wouldn't?) stay faithful, eventually marrying his mistress. He was not very happy with her either, it seems.

Is that the guy, gal, witness, or the name of the place where the sorry couple resides?

generally its done with a writing instrument laying down ink. others do it with skywriting,
underwater grease pencils or planting Kentucky bluegrass in a pattern

The get would be posul regardless, because it's spelled **Zaphod**.

A Get that is written on the ground would be Pasul. I don't know about skywriting though.
