

Stuff they have or do in England

Posted by mr. emunah - 19 Jun 2013 18:09

this is a thread in honour of our english phriends.

They have fish n' chips there...

stuff they have in England.

Heat waves.

sometimes...

They have a LOT of clouds

and speaking of weather, they DONT have the sun there

=====

According to the chart you posted it was only 26 degrees.

=====

=====
it's been over 80 degrees recently

I LOVE THIS THREAD.

I love teasing people about where they live.

Disclaimer: Only because we're all in golus so our current countries are just temporary and not really our homes anyway. (obviously this doesn't apply to Eretz Yisroel so when i make fun of Israelis it's a whole nother reason)

Too bad zvi isn't gonna be here for a while...
