They have Lemon Tea!!!

It's like this, I heard a story about Rabbi Dr. Twerski that he was in London and he went out to eat. The waiter came and asked him if he wanted tea, he said "sure, what type do you have?"

"only lemon tea, sir"

"but what if I don't like lemon in my tea?"

The waiter responded (seriously)

So based on that, we can learn the following lesson:

- When life gives you lemons, make lemonade.
- When life doesn't even give you lemons, make lemonade without lemons.
