We've had plenty of floods.

London hasn't been immune to that.

Oh, and we've had hurricanes too.

O.K Moish. is anyone out there looking forward to the world cup?

Is that allowed? I must admit I get a bit obsessed by the whole thing, not the league only the world cup, oh and maybe the Euro's

If i'm not mistaken, its Brazil that has the World Cup.

Unless we win it, of course!

Football is indeed one of my favorite obsessions. (Please don't tell anyone though. It doesn't quite go with my external persona, with my Frock and Homburger...)

Surely its 'spainfully' obvious who won it last time. It doesn't really fit with my persona either, but then again nor do 'other' obsessions of mine!!!

Hey, this is the England forum. What are you doing here?

You are always welcome to visit and post here, as long as you are polite, of course!

You would also have to rename it, and call it "stuff English people do in Brazil".

Warning: Spoiler!

O.K I can't hold back any longer.

Its really quite getting me down,

help me out fellow England supporters.

I know it really shouldn't bother me at all and was really inevitable, but this sites all about being truthful isn't it.

I guess I was just looking forward to us getting knocked out on Penalties, would have been more fun!
