Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Mesayin you missed the post I input 10 seconds before yours

Some people are either too thick or too clever for some of your blunt or sharp jokes

How about you start a new thread called mesayins jokes, and whoever goes there knows what to expect

It would help the reader if you write in the correct place where to laugh, too often jokes are posted and we don't know when to stop laughing

For those who know the australian accent...

A guy from America comes to Australia, and someone asks him...

Did you come here to die?

American: No! Why would I come here to die?

(laugh here) mean?

Australian: No no, did you come here todie or yesterdie

i was wondering - it says this blog was someone named jerusalemsexaddict. is that "jerusalem sex addict", or the ever-more optimistic "jerusalem's ex-addict".

then it occurred to me that maybe when he started, he was a jerusalem sex addict. thanks to GYE, now he is jerusalem's ex-addict.

however, one may ask on this pshat that an addict is never really an ex-addict.

??? ?????? ????? ??? ????? ???????

SORRY!

I told her she had three beautiful children. My mistake. She didn't have to get all pissed off and threaten me with a bomb. It was an honest mistake.
