Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Is this another stupid Trump investment idea buying out Oz vHadar and Artscroll corporations and rewriting history too??

I believe a healthy workout is an ingredient to a lust-lowered lifestyle

I did some today, and blows lust out the window
Warning: Spoiler!

I actually am sure that RID and HALT feature more by those that do not take exercise seriously

Exercise doesn't require membership

At the minimum a 15 min walk every 2 days

This is not a strong proof and I'm not recommending this, but there are those of us that have been to gym when a girl was doing her workout and we came out ok, why?

And if I may add, and I have a degree in psychology
Warning: Spoiler!

, that Lust is caused by RID, but many times RID doesn't come from nowhere

Here's a source from last weeks portion
