Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Good job inna you brought porn addiction into the depressed persons thread.

Inna: I thought it was funny

It isn't.

Inna, in that self dialog at the end, who's the one talking to you, is it the devil?

I think it was shlomo by telepathy. I'm sure he's thrilled that you just called him the devil.

I'm in enough trouble with Shlomo as it is, without you calling him the devil in my name (which is really pa). I only asked because if you are in touch with the devil maybe you can tell him to knock it off with this whole inter-net thjng.

Maybe if you join there would be some sense to it, but truthfully, most of it is either saying sorry to those we hurt, resentment, and advice. In a nuttysHELL - the three steps. I think a daily call is being formed now if you want to join.

Checking in, and realizing im wayyyyyy behind over here, don't know what the "hell" is going on, or why the "hell" is going on.

I feel like this thread has become for me "the chilled person's depressed spot"

All i can add is that, there is what to look forward to in hell.

A. Lots of friends will be there

B. Get to meet the objects of my fantasy in. person

C. The ladies are hot

...

I'm outta here

Ok I just read this thing for the first time since my last post:

2) PA: I'm fairly confident in my abilities, I ain't yo motha. Ya'll gonna need some heavy

3) Call it bias, but people with SSA can make SSA jokes, but others can't. (I'm only half joking btw, for me personally I don't get offended if another guy with SSA makes a joke).

1) In the hell that I went through, even the guys were hot... That is why it was hell
