Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

1. Do not walk behind me, for I may not lead. Do not walk ahead of me, for I may not follow. Do not walk beside me either. Just pretty much leave me alone.

2 The journey of a thousand miles begins with a broken fan belt or a leaky tire.

3. It's always darkest before dawn, so if you're going to steal your neighbor's newspaper, that's the time to do it.

4. Don't be irreplaceable. If you can't be replaced, you can't be promoted.

5. Always remember that you're unique. Just like everyone else.

6. Never test the depth of the water with both feet.

7. If you think nobody cares if you're alive, try missing a couple of car payments.

8. Before you criticize someone, you should walk a mile in their shoes. That way, when you criticize them, you're a mile away and you have their shoes.

9. If at first you don't succeed...Skydiving is not for you.

10. Give a man a fish and he will eat for a day. Teach him how to fish, and he will sit in a boat and drink beer all day.

The guards list should be a polled item

Guys - What number do you feel resembles you?

Sometimes I feel like #1, so that I can b unique #5

Jews can't play chess:

The LUBAVITCHERS say the king lives forever.

The VISHNITZERS have 2 kings.

The GERERS wont let the king stand next to the queen.

The YERUSHALMIS wont let the soldiers (pawns) into their area.

Those from MEAH SHEARIM wont move out of their area.

MODERNERS dont want black and white.

The SEFARDIM want black to start,

and the BRESLOVERS say everyone jumps, not only the horse!!

Two guys were in the emergency room, both of them were suffering from a bruised ankle. A young intern entered the room, walked over to the first guy and examined his injury. Then the intern grabbed the hurt ankle and with an impressive air, turned the ankle this way and then that way, with every twist and turn, the poor patient screamed with pain.

Then the intern turned to the second patient and did the same pulling and twisting, but the second guy didn't utter a sound.

After the intern left, the first patient turned to the second patient and said, "wow, I admire you, how were you able to be quiet with all that pain?"

Answered his friend, "the truth is, I can't stand pain, so I just used a little common sense."

"What do you mean by common sense?"

The second guy smiled and said, "do you think I was crazy enough to show him the right ankle?!"

Sadie was just being wheeled out of the operating room and back to her room. Once she was settled in bed she sighed, "Thank G-d that's over!"

"Don't be too sure," the patient in the next bed said. "They operated on me last week and then

had to open me up again because they left a sponge inside."

The patient in the next bed sighed , "And Sadie, let me tell you...when they operated on me two weeks ago,they had to open me up again because the Dr. left one of the instruments inside."

Just then sadies Dr. stuck his head into the room and called out , "Excuse me ladies, has anyone seen my hat?"

Sadie fainted.
