Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

I don't sink that simple lines need an explanation. This is obviously a reference to the yetzer Harah who approaches us with a simple request to "just *think*" about this "clean" person or other, when in reality there is double meaning in everything that he says and instead of *thinking* we quickly start *sinking*

down

down

down

to places where even the t'chalet fish won't dare to swim.....

Tzitzit Dude

You should apply for a site wide pass so you can get out of this depressed place and start your own thread

Applications are being processed and turnaround time is approx 4-5 months

Hey Markz, I really appreciate your belief in my ability to start my own thread.

Only thing is, though, how do I get the satisfaction of hijacking other people's threads???

I'll start a new thread called

"The tale of my Tallis, dudes"

Tzitzis Dude can hijack that one!

Deal?

A Nanach and a Brisker go to sleep in the same room. You hear...

”Na”.

“Sh”.

”Na-nach”.

”Sshhh”.

“Na-nach-nachman”.

"SSSSHHHHH!!!!!"

"NA-NACH-NACHMAN ME-UMAN!!!!!"

"Sh... ssshhhmmmmm... ssshhhhhmmmaaaaaa..."

(it's better if you hear it, so maybe try sounding it out yourself)

I heard about this man that goes to a store to buy a parachute ,

"how does it work ?" he asks , the clerk explains to him that he has to pull from the string . "and what if it doesn't work ? " the man asks ,

- "then you pull from this other string" replies the clerk.

- "and what if that other string does not work ?"

- " no worries come back and we will replace it for you ".
