Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

where there's a will, there are relatives

where there's a will, i want to be in it

the last thing i want to do is hurt you....but it's still on my list

because light travels faster than sound, some people appear bright until you hear them speak

if i agreed with you, we'd both be wrong

we never really grow up, we just learn how to act in public

knowledge is: knowing a tomato is a fruit. wisdom is: not putting them in a fruit salad

they begin the news with Good evening and then tell you why it isn't

to steal ideas from one: plagiarism. to steal ideas from many: research

i though i wanted a career. turns out i just wanted a paycheck

i didn't say it was your fault, i just said that i'm blaming you

a clear conscience is probably just bad memory

you do NOT need a parachute to skydive. (just to skydive twice)

money can't buy happiness but it sure makes misery easier to live with

i used to be indecisive. now i'm not so sure

If a man speaks in the middle of a forest and there is no woman around to hear him, is he still wrong?

I didn't read all 73 pages so I don't know if someone told this yet. Chazara never killed anyone right?

The Power of Alcohol

A man is waiting for his wife to give birth. The doctor comes in and informs the dad that his son was born without torso, arms or legs. The son is just a head! But the dad loves his son and raises him as well as he can, with love and compassion.

After 21 years, the son is now old enough for his first drink. Dad takes him to the bar, tearfully tells the son he is proud of him and orders up the biggest, strongest drink for his boy. With all the bar patrons looking on curiously and the bartender shaking his head in disbelief, the boy takes his first sip of alcohol.

Swoooosh! Plop!! A torso pops out! The bar is dead silent; then bursts into whoops of joy. The father, shocked, begs his son to drink again. The patrons chant 'Take another drink!'

The bartender continues to shake his head in dismay. Swoooosh! Plip! Plop!! Two arms pop out.

The bar goes wild. The father, crying and wailing, begs his son to drink again. The patrons chant, 'Take another drink! Take another drink!!' The bartender ignores the whole affair and goes back to polishing glasses, shaking his head, clearly unimpressed by the amazing scenes.

By now the boy is getting tipsy, but with his new hands he reaches down, grabs his drink and guzzles the last of it. Plop! Plip!! Two legs pop out. The bar is in chaos.

The father falls to his knees and tearfully thanks God. The boy stands up on his new legs and stumbles to the left then staggers to the right through the front door, into the street, where a truck runs over him and kills him instantly. The bar falls silent.

The father moans in grief. The bartender sighs and says,

(Wait for it)

(It's coming)

(Ya ready?)

(Don't hate me)

(Yer gonna hate me)

(Take a deep breath)

He should've quit while he was a head.

Slowing Down

A bloke goes into a pub, takes a seat at the bar, and orders five pints. The barman gives him an odd look since the bloke's all by himself, but he serves up the five pints and lines them up on the bar. The bloke downs them....One, Two, Three, Four, Five. He finishes the last one and calls to the barman, "Four pints, please, mate!" The barman serves up four pints and lines them on the bar. The bloke downs them....One, Two, Three, Four. Then he belches loudly, sways slightly on the stool, and orders three more pints. And one after the other, he knocks them back.... One, Two, Three. "Two pintsh, mate!" he calls, and the barman places two pints in front of him. Down they go.... One, Two. As the bloke slams the last one down on the bar, he says, "One pint, mate." So the barman fills the glass. The bloke sits there, staring at it for for a moment, trying to focus. Then he looks at the barman and says, "Y'know, it'sh a funny t'ing, but the less I drink, the drunker I get..."

A drunk walks into a tavern and walks up to the bar. The bartender wanders over and says,

"What'll it be?" He replies, "Free beer all around!" So the bartender sets up a cold one for everyone in the bar. Then the drunk says, "I'll have a shot and a beer and get a shot and a beer for yourself since you are so nice." So the bartender pours a couple of shots and two more drafts.

The drunk downs his shot and follows it with a swallow of his draft. The bartender follows suit and then says, "That'll be \$48.50 please." The drunk responds, "I've got no money."

With that the bartender jumps over the bar and throws the guy out, kicking him in the rear on his way out the door. The drunk lands face down on the sidewalk.

A little while later, the drunk returns and the bartender says, "What are you doing back here?" Again the drunk responds, "Free beer for everyone and I'll take a shot and a beer, too."

"But don't pour one for yourself, you get mean when you drink!"
