Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

I'm not crazy, my reality is just different than yours.

Life is like a roller coaster, and I'm about to throw up.

I used to have a handle on life, but it broke.

You're just jealous because the voices only talk to me.

I'm not a complete idiot, some parts are missing.

Out of my mind. Back in five minutes.

Who is General Failure, and why is he reading my hard disk?

Support bacteria - they're the only culture some people have.

I was wondering why frisbees got bigger as they got closer then it hit me.

Moe was heading out of the Synagogue after Rosh Hashana services, and as always the Rabbi was standing at the door, shaking hands as the congregation departed.

The Rabbi grabbed Moe by the hand, pulled him aside and whispered these words at him: "You need to join the Army of G-d!"

Moe replied: "I'm already in the Army of G-d, Rabbi."

The Rabbi questioned: "How come I don't see you except for Rosh Hashanah and Yom Kippur?"

Moe whispered back: "I'm in the secret service."

7 Reasons Not To Mess With Children

A little girl was talking to her teacher about whales.

The teacher said it was physically impossible for a whale to swallow a human because even though it was a very large mammal its throat was very small.

The little girl stated that Jonah was swallowed by a whale.

Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible.

The little girl said, 'When I get to heaven I will ask Jonah'.

The teacher asked, 'What if Jonah went to hell?'

The little girl replied, 'Then you ask him'.

A Kindergarten teacher was observing her classroom of children while they were drawing. She would occasionally walk around to see each child's work.

As she got to one little girl who was working diligently, she asked what the drawing was.

The girl replied, 'I'm drawing God.'

The teacher paused and said, 'But no one knows what God looks like.'

Without missing a beat, or looking up from her drawing, the girl replied,

'They will in a minute..'

A Sunday school teacher was discussing the Ten Commandments with her five and six year olds.

After explaining the commandment to 'honour' thy Father and thy Mother, she asked, 'Is there a commandment that teaches us how to treat our brothers and sisters?'

Without missing a beat one little boy (the oldest of a family) answered,

'Thou shall not kill...'

One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast on her brunette head.

She looked at her mother and inquisitively asked, 'Why are some of your hairs white, Mum?'

Her mother replied, 'Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turns white.'

The little girl thought about this revelation for a while and then said,

'Mummy, how come ALL of grandma's hairs are white?'

The children had all been photographed, and the teacher was trying to persuade them each to buy a copy of the group picture.

'Just think how nice it will be to look at it when you are all grown up and say, 'There's Jennifer, she's a lawyer,' or 'That's Michael, He's a doctor.'

A small voice at the back of the room rang out, 'And there's the teacher, she's dead.'

A teacher was giving a lesson on the circulation of the blood. Trying to make the matter clearer, she said, 'Now, class, if I stood on my head, the blood, as you know, would run into it, and I would turn red in the face.'

'Yes,' the class said.

'Then why is it that while I am standing upright in the ordinary position the blood doesn't run into my feet?'

A little fellow shouted,

'Cause your feet ain't empty.'

The children were lined up in the cafeteria of a Catholic elementary school

for lunch. At the head of the table was a large pile of apples. The nun made a note, and posted on the apple tray:

'Take only ONE . God is watching.'

Moving further along the lunch line, at the other end of the table was a large pile of chocolate chip cookies.

A child had written a note, 'Take all you want. God is watching the apples...'

Can someone give me the yiddish on these, please? I need to remember them big time. You'll be repaid quietly ;D.
