Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

reminds me a lot of a special someone on gye....

and on that topic

just goes to show you how far addiction can get if not treated (assuming for the sake of this post that these people are probably addicts)

Hey you're supposed to stay anonymous here!

you still dont know if i'm the hysterical chinese baby or the old deformed sheikh. so i guess i pretty much am anonymous but i guess it does narrow it down...

"Welcome to our automated psychiatric help line. If you are suffering from OCD, please press 1 repeatedly. If you are suffering from multiple personalities, please press 2, 3, 4, & 5. If you are suffering from excessive co-dependency, please have somebody else press six for you. If you are suffering from a ADD or ADHD please pay no attention to this message. If you are suffering from paranoia, there is no reason for you to press any number as we know who you are, where you are, and what exactly it is that you are calling about. If you are schizophrenic, listen carefully and a little voice will tell you which number to press. If you are suffering from manic depression, it doesn't matter which number you press, no one will answer. If you are suffering from excessive gullibility, please hold and somebody will be with you shortly."
