Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Guys I can't do this alone

I want this thread to overtake the other one with 125 pages called "I'm about to fall"

All hands aboard!!!!!!

Amazingly this thread that was lower on the stats totem pole is speeding ahead to be #1

The world is returning to its prime!!!

PA and I invite all J posters to lechaim, very soon!!!

sorry mark, i gotta leave you hanging.

i wanna see my own baby grow from baby corn into a mature 100+ pages of cornographic material. i gotta encourage people to upload their amateur homemade corno's to my thread. otherwise, might never grow up to be a popcorn.

?? ??? ??? ?? ?? ??

CONTINUE WATCHING CORN

In that case, perhaps the mods should lock this thread (as there are enough jokes for any depressed person anyway), and send a link to the mikvah thread. (The Omaha thread will need to flourish on its own.)

Rumor has it that PA's corn thread doesn't need any assistance - it will blow up on its own when we least expect it to, and not when the Palestinian plans it either

Matzah and cream cheese and eggs is a hidden wonder of the world. My family is also quite fond of matzah and mayo and brisket/corn beef, although I'm not a mayo fan.

Shlomo, i have only one question for you. If it's really all so good like you say, then how come you only eat it one week out of the year...

Funny... I've heard pretty much the same thing about the 12 steps

I don't understand the comparison.

Usually when that happens here, I let it go, but here I am hesitant, for I don't view the 12 steps as an antibiotic at all.
