Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

WHAT! Twasnt me! Even check the records and don't moderator them to make me guilty.

Anyway, what i still dont understand is, that if the antibiotics are supposed to clear things up, and the matza is like the antibiotics, then how come we need the prune juice to clear up the matza?!

My apologies.

My question remains to Mr. thanks613.

The prune matza bug has been bantered around too much

I can't stomach it anymore

I discovered why the forums have been so quiet

Everyone is in "[the bathroom my shul](#)"

Do we have minyan?

Mark, i fail to understand why people being in the bathroom would make the fourms quieter, if anything it would increase the fourm traffic. Now if they were in shul, that i would understand. No one brings their phone to shul.

That's called side affects.

I think it's time to invent a smell detector. Sometimes it's impossible to daven like this.

Did you know that brachot and parts of tefila complain to Hashem?

First, "Asher Yatzar" complained to Hashem. "Do you see what these Jews are doing right before they say me? It's gross! How about a little respect?"

Hashem said "No problem! My Jews are going to say you under the chupah! (Asher Yatzar es ha Adam b'tzalmo...)

Then, "Aleinu" complained to Hashem. "These Jews mutter me at a rapid pace while folding up a tallit! They have one foot out the door before they even finish saying me! How about a little respect?"

Hashem said "No problem! I'm going to put you right in the middle of Rosh Hashanna and Yom Kippur prayers! They'll get down on their hands and knees to say you!"

Later on, "Tachanun" complained to Hashem. "Hashem! Your Chassidim never say me! This rebbe's yahrtzeit, that rebbe's yahrtzeit! How about a little respect?"

Hashem said "Tachanun, you have been suffering now for two hundred years of Chassidus. The time has come. I am making a new holiday.

It's called Yom Ha Atzmaut. They will FOR SURE say you on that day!" ;D ;D ;D
