Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

a happy man is not a man with a certain set of circumstances, rather a man with a certain set of attitudes.

if you cant have what you want ,then its time to want what you have.

everyone is looking for the city of happiness ,but its all in the state of mind.

the greatest thing you can do for a person is not just to share your wealth, but to make him aware of his own.

there is no failure except in no longer trying. (one of gye's mottos)

----- the bachur was out on a date ,he looked at the prices on the menu and smiled weakly at his date and said, "Enjoy your dinner, but remember, weve got to leave promptly at \$12.30"

two thirds of promotion is motion

some of us dont know what we want, but we are sure that we dont have it.

the greatest pleasure in life is doing something that others said was impossible

Warning: Spoiler!

life gives you merely time and space -its up to you to fill it

----- an interesting ladies auxiliary newspaper review

"at the ladies auxiliary raffle,many interesting things were raffled off.every member brought something they no longer needed.many members brought their husbands."

One day,a father of a very wealthy family took his child on a trip to the country with the firm purpose of showing how poor people live.They spent a couple of days on a farm of what he considered a very poor family.

?On the return trip ,the father asked,"Did you see how poor people live?" "Oh yeah "said the son. "So what did you learn from this trip"asked the Dad.The child answered,"I saw that we have one dog and they have four.We have a pool that reaches to the middle of our yard,and they have a creek that has no end.We have electric lamps for our garden, they have the stars at night.Our patio reaches to the front yard,and they have the whole horizon. We have a small piece of land to live on,and they have fields that stretch beyond our sight.We buy our food, they grow theirs.We have walls around our property to protect us,and they have friends to protect them."

The father was speechless. The child added ,"Thanks Dad for showing me how poor we are."
