Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

Markz, Great find!

You might as well post the whole thread. People had much more (un)serious banter going on years ago. It feels almost like two separate generations. Nowadays if someone dares to write that way, he is getting too offensive and risk being banned.

Warning: Spoiler!

Right after Sheva Brachos a Yungerman comes to the Keilim Mikva to Toivel a set of dishes. He comes back the second day to Toivel another set of dishes. For the entire week he came to Toivel a different set of dishes, every day. People started getting curious. Somebody went over to him, and asked him " 3 sets of dishes i understand- Milchigs, Fleishigs, Pareve. A fourth set- Pesach. But why do you need seven sets of dishes?"

The Yungerman answered "im embarrassed to admit it, but my new wife and I don't get along so well. We made up that instead of cursing each other out- every time we're angry-we'll let it out on the dishes, instead.". So the guy asked the Yungerman. "I understand that you'd rather break the dishes than curse each other out, but breaking a full set of dishes every day is a very expensive habit. Why don't you use paper plates instead ?" The Yungerman answered. "I personally agree with you. If it was up to me i would use paper plates, but my wife prefers dishes-and what wouldn't i do for Shalom Bayis?!"

This fellow used to buy his Shviger an expensive birthday present every year. One year he bought her a plot on Har Hamenuchos. The next year he didn't buy his Shviger a present at all.

His Shviger was very insulted so she asked him " Every year you buy me birthday present .
Why didn't you buy me a present this year?" He answered " Why should
I buy you a new present, if you still haven't used the present I bought you last year?"

This guy comes to his Rabbi and says, "I want to live forever. What should I do?"

The Rabbi tells him, "I have the perfect solution. Get married".

"And then I'll live forever??"

"No. Then you won't want to anymore"

a letter to a father

Dear Tatty,

School is really great. I am making a lot of friends, and studying very hard. With all my stuff, I simply can't think of anything I need, so if you would like, you can just send me a card as I would love to hear from you.

Love

Shlomo

Dear Shlomo,

I know that astronomy and economics are enough to keep even an honor student busy. Do NOT forget that the pursuit of knowledge is a noble task, and you can never study enough.

Love

Tatty

My teacher claims that this is a true story.

He sent to his father, "Having fun no more, your son. "

To which his father replied "Too bad so sad, your dad"

(with some money)

I don't know if this is in the Ruach of this thread, (it was sent to me, and I am not sure whether it is a joke or for real) but I thought that I would post it anyway.

HOW TO STAY SAFE IN THE WORLD TODAY

Avoid riding in automobiles because they are responsible for 20 % of all fatal accidents.

Do not stay at home because 17 percent of all accidents occur in the home. (that's 37 % already)

Avoid walking on streets or sidewalks because 14 percent of all accidents occur to pedestrians.(now that's 51%)

Avoid traveling by air, trains or buses, 16 percent of accidents involve these forms of transportation. (that's 67%)

Of the remaining 33 percent, 32 percent of all deaths occur in hospitals. Above all else avoid hospitals.

You will be pleased to learn that only 0.01 % of all deaths occur in a synagogue, and these are usually related to previous physical disorders.

Therefore, logic tells us that the safest place for you to be at any given point in time is in Synagogue.

Torah Study is even safer. The number of deaths during Torah Study is too small to register.

For safety's sake, go to Shul as often as possible, and attend Torah Study.

It could save your life!

Nowadays it's stil safe... you just gotta subscribe to the NRA

Why couldn't you see the elephant in the tree?

Because it was good at hiding. (Baduum-ts)

Ok, this time I'm pretty sure that I'm *not* the only one who doesn't get it.

I'll be honest, it's not really a joke...

You couldn't see the elephant in the tree because it was good at hiding- this could, ????, be said with any animal, it's just very "snort-worthy" with an elephant, cuz they're pretty big... again, not much of a joke. Sorry 'bout that.

Once again, I see that our tchalet dude has buried deep hidden meaning in the elephant in the tree.

Often we will try hideing our lusting selves behind our gemara, or nice family life, when in actuality we as hidden as an elephant in a tree. Pretty pathetic of us, no? Almost snort-worthy.

Thanks dude
