Some funny quotes

"Why does Sea World have a seafood restaurant?? I'm halfway through my fish burger and I realize, Oh man....I could be eating a slow learner."

"I'm in no condition to drive...wait! I shouldn't listen to myself, I'm drunk!" -Homer J. Simpson

"I do not like broccoli. And I haven't liked it since I was a little kid and my mother made me eat it. And I'm President of the United States and I'm not going to eat any more broccoli." -George Bush.

"You have to stay in shape. My grandmother, she started walking five miles a day when she was 60. She's 97 today and we don't know where the heck she is."

"The pen is mightier than the sword, and considerably easier to write with."

"Sometimes I lie awake at night, and I ask, 'Where have I gone wrong?' Then a voice says to me, 'This is going to take more than one night.' "

"On my first day in New York a guy asked me if I knew where Central Park was. When I told him I didn't he said, 'Do you mind if I mug you here?'."

A joke

1)A young Jewish man was visiting a psychiatrist, hoping to cure his eating and sleeping disorder. "Every thought I have turns to my mother," he told the psychiatrist. "As soon as I fall asleep and begin to dream, everyone in my dream turns into my mother. I wake up so upset that all I can do is go downstairs and eat a piece of toast."

The psychiatrist replied, "What, just one piece of toast for a big boy like you?"

IDIOT SIGHTING:

We had to have the garage door repaired. The Sears repairman told us that one of our problems was that we did not have a 'large enough motor' on the opener. I thought for a minute, and said that we had the largest one Sears made at that time, a 1/2 horsepower. He shook his head and said, "Lady, you need a 1/4 horsepower." I responded that 1/2 was larger than 1/4. He said, "NO, it's not.. Four is larger than two..."

We haven't used Sears repair since.

IDIOT SIGHTING:

My daughter and I went through the McDonald's take-out window and I gave the clerk a \$5 bill.. Our total was \$4.25, so I also handed her a quarter. She said, "You gave me too much money." I said, "Yes I know, but this way you can just give me a dollar bill back." She sighed and went to get the manager who asked me to repeat my request. I did so, and he handed me back the quarter, and said "We're sorry but we cannot do that kind of thing." The clerk then proceeded to give me back \$1 and 75 cents in change..

Do not confuse the clerks at McD's.

IDIOT SIGHTING:

I live in a semi rural area. We recently had a new neighbor call the local township administrative office to request the removal of the DEER CROSSING sign on our road. The reason: "Too many deer are being hit by cars out here! I don't think this is a good place for them to be crossing anymore."

From Kingman , KS .

IDIOT SIGHTING IN FOOD SERVICE:

My daughter went to a local Taco Bell and ordered a taco. She asked the person behind the counter for 'minimal lettuce.' He said he was sorry, but they only had iceberg lettuce.

From Kansas City

IDIOT SIGHTING:

I was at the airport, checking in at the gate when an airport employee asked, "Has anyone put anything in your baggage without your knowledge?" To which I replied, "If it was without my knowledge, how would I know?" He smiled knowingly and nodded, "That's why we ask."

Happened in Birmingham , Ala.

IDIOT SIGHTING:

The stoplight on the corner buzzes when it's safe to cross the street. I was crossing with an intellectually challenged coworker of mine. She asked if I knew what the buzzer was for. I explained that it signals blind people when the light is red. Appalled, she responded, "What on earth are blind people doing driving?!"

She was a probation officer in Wichita , KS

IDIOT SIGHTING:

We were having a good-bye luncheon for an old and dear coworker, as she was leaving the company due to 'downsizing.' Our manager commented cheerfully, "This is fun. We should do this more often." Not another word was spoken. We all just looked at each other with that deer-in-the-headlights stare. This was a lunch at Texas Instruments.

IDIOT SIGHTING:

I work with an individual who plugged her power strip back into itself and for the sake of her life, couldn't understand why her system would not turn on. A deputy with the Dallas County Sheriff's office, no less.

IDIOT SIGHTING:

When my husband and I arrived at an automobile dealership to pick up our car, we were told the keys had been locked in it. We went to the service department and found a mechanic working feverishly to unlock the driver side door. As I watched from the passenger side, I instinctively tried the door handle and discovered that it was unlocked. "Hey," I announced to the technician, "It's open!" His reply, "I know. I already got that side. This was at the Ford dealership in Canton , MS

IDIOT SIGHTINGS:

When I left Hawaii and was transferred to Florida , I still had the Hawaiian plates on my car, as my car was shipped from Hawaii . I was parking somewhere (I can't remember) and a guy asked me "Wow, you drove from Hawaii to here?" I looked at him and quickly said "Yep. I took the Hawaii/San Francisco Bridge". He nodded his head and said, "Cool"!

STAY ALERT! They walk among us... they REPRODUCE..... and they vote!!!!

Break and Smile...

A Jewish chap was in a supermarket in Thornhill ,
Ontario . He saw a black woman trying to get her young child to put down a
candy bar he had picked off the shelf.

'Latrell, you put that down ! It's not kosher !'

Intrigued, the young man decided to investigate.

'Excuse me, ma'am,

are you Jewish ?'

'No.'

'So why did you say that ?'

'Why ? I'll tell you why. 'Because I see all them

Jewish mothers saying that to their kids -- and it works, so I decided to

try it.'

Ever thought of how to make fun of yourself?

1. If you can't say something nice, say it in Yiddish.
2. If it tastes good, it's probably not kosher.
3. After the destruction of the Second temple, God created Loehmann's.
4. Gentiles leave and never say good-bye. Jews say good-bye and never leave.
5. 20% off is a bargain; 50% is a mitzvah.
6. The High Holidays have absolutely nothing to do with marijuana.

7. And what's wrong with dry turkey?
8. If your name was Lipschitz, you'd change it, too.
9. Always whisper the names of diseases.
10. One mitzvah can change the world; two will just make you tired.
11. If you don't eat, it will kill me.
12. Anything worth saying is worth repeating a thousand times.
13. Where there's smoke, there may be smoked salmon.
14. Never take a front row seat at a bris.
15. Next year in Jerusalem. The year after that, how about a nice cruise?
16. Never leave a restaurant empty handed.
17. Spring ahead, fall back, winter in Miami Beach.
18. The important Jewish holidays are the ones on which alternate side of the street parking is suspended (only for New Yorkers)

19. Without Jewish mothers, who would need therapy?

20. Before you read the menu, read the prices.

21. There comes a time in every man's life when he must stand up and tell his mother he's an adult. This usually happens around age 45.

22. According to Jewish dietary law pork and shellfish may be eaten only in Chinese restaurants.

23. No meal is complete without leftovers.

24. If you have to ask the price you can't afford it. But if you can afford it, make sure to tell everybody what you paid.

25. The only good thing more important than a good education is a good parking spot at the mall.

A woman and a man are involved in a car accident
on a snowy, cold Monday

morning; it's a bad one. Both of their cars are totally demolished, but

amazingly neither of them is hurt. God works in mysterious ways.

After they crawl out of their cars, the man is yelling about women
drivers.

The woman says, 'So, you're a man. That's interesting. I'm a woman. Wow,
just look at our cars! There's nothing left, but we're unhurt. This must
be a sign from God that we should be friends and live in peace for the
rest of our days.'

Flattered, the man replies, 'Oh yes, I agree completely, this must be a
sign from God! But you're still at fault...women shouldn't be allowed to

drive.'

The woman continues, 'And look at this, here's another miracle. My car

is completely demolished but this bottle of wine didn't break. Surely

God wants us to drink this wine and celebrate our good fortune..' She

hands the bottle to the man.

The man nods his head in agreement, opens it and drinks half the bottle

and then hands it back to the woman.

The woman takes the bottle, puts the cap back on and hands it back to

the man.

The man asks, 'Aren't you having any?'

The woman replies, 'No. I think I'll just wait for the police...'

Can you help?'

Operator: 'Where did you get that number, sir?'

Customer: 'It's on the door of your business.'

Operator: ' Sir, those are the hours that we are open..'

+++++

Samsung Electronics

Caller: 'Can you give me the telephone number for Jack?'

Operator: 'I'm sorry, sir, I don't understand who you are talking about.'

Caller: 'On page 1, section 5, of the user guide it clearly states that I

Need to unplug the fax machine from the AC wall socket and

Telephone Jack before cleaning. Now, can you give me the

Number for Jack?'

Operator: 'I think it means the telephone plug on the wall.'

RAC Motoring Services

Caller: 'Does your European Breakdown Policy cover me when I am

Traveling in Australia ?'

Operator: 'Does the product name give you a clue?'

Caller (enquiring about legal requirements while traveling in Europe)

'If I register my car in France , and then take it to England , do I have to change
the steering wheel to the other side of the car?'

Directory Enquiries

Caller: 'I'd like the number of the Argo Fish Bar, please'

Operator: 'I'm sorry, there's no listing. Are you sure that the spelling is correct?'

Caller: 'Well, it used to be called the Bargo Fish Bar but the 'B' fell off.'

Then there was the caller who asked for a knitwear company in Woven.

Operator: 'Woven? Are you sure?'

Caller: 'Yes. That's what it says on the label -- Woven in Scotland '

On another occasion, a man making heavy breathing sounds from a phone box

told a worried operator: 'I haven't got a pen, so I'm steaming up the window to write the number
on.'

Tech Support: 'I need you to right-click on the Open Desktop.'

Customer: 'OK.'

Tech Support: 'Did you get a pop-up menu?'

Customer: 'No.'

Tech Support: 'OK . Right-Click again. Do you see a pop-up menu?'

Customer: 'No.'

Tech Support: 'OK, sir. Can you tell me what you have done up until this
Point?'

Customer: 'Sure. You told me to write 'click' and I wrote 'click'.'

Tech Support: 'OK. At the bottom left hand side of your screen, can
You see the 'OK' button displayed?'

Customer: 'Wow! How can you see my screen from there?'

This has to be one of the funniest things in a long time. I think this guy should

Have been promoted, not fired. This is a true story from the WordPerfect Helpline, which was transcribed from a recording monitoring the customer care department. Needless to say the Help Desk employee was fired; however, he/she is currently suing the WordPerfect organization for 'Termination without Cause.'

Actual dialogue of a former WordPerfect Customer Support employee.

(Now I know why they record these conversations!):

Operator: 'Ridge Hall, computer assistance; may I help you?'

Caller: 'Yes, well, I'm having trouble with WordPerfect.'

Operator: 'What sort of trouble??'

Caller: 'Well, I was just typing along, and all of a sudden the words went away.'

Operator: 'Went away?'

Caller: 'They disappeared'

Operator: 'Hmm. So what does your screen look like now?'

Caller: 'Nothing.'

Operator: 'Nothing??'

Caller: 'It's blank; it won't accept anything when I type.'

Operator: 'Are you still in WordPerfect, or did you get out?'

Caller: 'How do I tell?'

Operator: 'Can you see the 'C: prompt' on the screen?'

Caller: 'What's a sea-prompt?'

Operator: 'Never mind, can you move your cursor around the screen?'

Caller: 'There isn't any cursor; I told you, it won't accept anything I type.'

Operator: 'Does your monitor have a power indicator??'

Caller: 'What's a monitor?'

Operator: 'It's the thing with the screen on it that looks like a TV.

Does it have a little light that tells you when it's on?'

Caller: 'I don't know.'

Operator: 'Well, then look on the back of the monitor and find where the power cord goes into it. Can you see that??'

Caller: 'Yes, I think so.'

Operator: 'Great. Follow the cord to the plug, and tell me if it's plugged into the wall.'

Caller: 'Yes, it is.'

Operator: 'When you were behind the monitor, did you notice that there were two cables plugged into the back of it, not just one? '

Caller: 'No.'

Operator: 'Well, there are. I need you to look back there again and find the other cable.'

Caller: 'Okay, here it is'

Operator: 'Follow it for me, and tell me if it's plugged securely into the back of your computer.'

Caller: 'I can't reach.'

Operator: 'OK. Well, can you see if it is?'

Caller: 'No.'

Operator: 'Even if you maybe put your knee on something and lean way over?'

Caller: 'Well, it's not because I don't have the right angle -- it's because it's dark.'

Operator: 'Dark?'

Caller: 'Yes - the office light is off, and the only light I have is coming in from the window.'

Operator: 'Well, turn on the office light then.'

Caller: 'I can't.'

Operator: 'No? Why not?'

Caller: 'Because there's a power failure.'

Operator: 'A power ... A power failure? Aha. Okay, we've got it licked now. Do you still have the boxes and manuals and packing stuff that your computer came in?'

Caller: 'Well, yes, I keep them in the closet.'

Operator: 'Good. Go get them, and unplug your system and pack it up just like it was when you got it. Then take it back to the store you bought it from.'

Caller: 'Really? Is it that bad?'

Operator: 'Yes, I'm afraid it is.'

Caller: 'Well, all right then, I suppose.. What do I tell them?'

Operator: 'Tell them you're too stupid to own a computer!'
